

How To Access Google Workspace

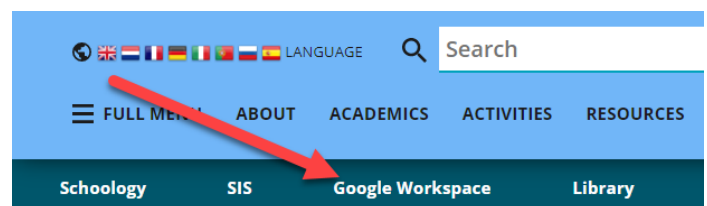

Note that many applications will require students to be logged in to Google Workspace before they can access them

Step 1: Open Google Chrome. Chrome is the preferred browser for Google Workspace for Education. Learn more about other [supported browsers](#).

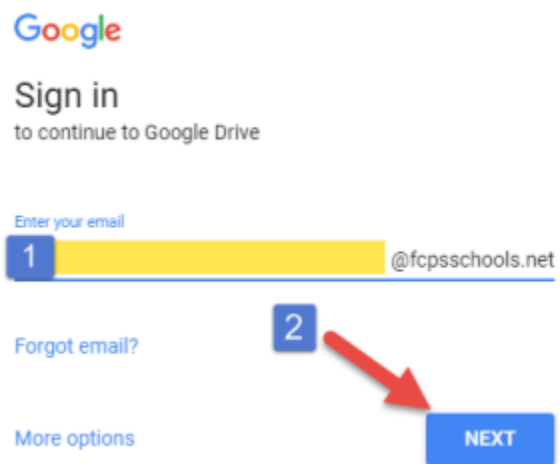

Step 2: Go to the WSES website-
<https://westspringfieldes.fcps.edu/>

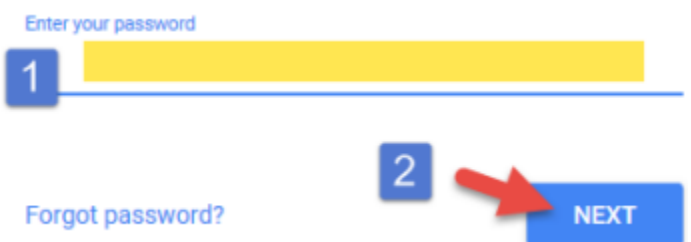

Then click on [Google Workspace](#) in the top blue menu bar

Step 3: Enter your username (your student ID number) into the box (leave the @fcpschools.net). Click **Next**

Step 4: Enter your password into the box. Click **Next**

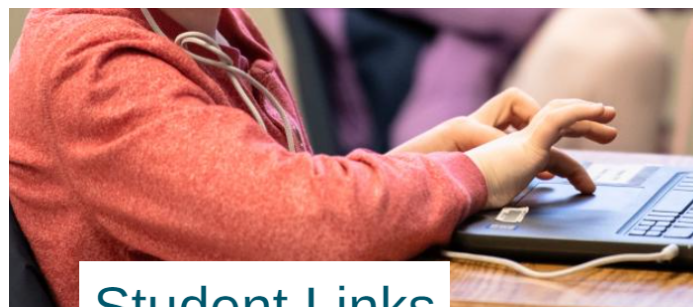

You can now log in with Google on many WSES student links, whenever you see this button

How To Access Clever Applications

FCPS students use Clever to access **ST Math, Lexia, and Wixie**

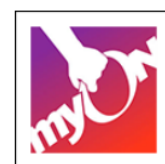

Step 1: Go to WSES' Student Links page.
Click on **Full Menu** on the top left menu bar of the [WSES homepage](https://wses.fcps.edu/) or go directly to <https://westspringfieldes.fcps.edu/student-links>
